NINER CHOICE PROPERTY SPOTLIGHT

What quick tip would you give Niners looking for their first off-campus apartment?
"Prioritize location, community energy, and all-inclusive convenience so you can focus on school without the stress of managing multiple bills. At Junction 49, you get that unbeatable sweet spot—independent living, resort-style amenities, and direct access to campus life while staying plugged into the Niner community."

What advice do you give a student to build a healthy living dynamic with their roommates from day one?
"Set expectations early around chores, guests, and quiet hours, but make sure to bond over fun downtime outside of class. Our residents love hosting quick apartment dinners, studying together in the clubhouse, or heading down to the pool to turn roommates into lifelong friends."

WHOS WHO AT UNC CHARLOTTE

Assistant Director for Student Involvement

What are the most effective ways for off-campus students to get involved in campus organizations, and what resources does the Student Involvement Office offer to help?
"The most effective ways for off-campus students to get involved in student organizations and clubs are to check out their Niner Engage (our #1 involvement resource) page, as well as any social media they may have listed on that page. Since we're in Charlotte, many of our student organizations host events, socials, and programs off campus! You can check out specific organizations and search for what you're looking for, or head to the "Events" page on Niner Engage and see what's going on - I specifically recommend using the filter to show only "Online" events for folks who may not be in/near Charlotte."

For the Spring semester, what leadership opportunities or student organization events should students keep on their radar to build community at UNC Charlotte?
"Student Involvement hosts a signature event at the start of every semester - the Student Org Showcase! This year, the Winter Showcase will be held on Tuesday, January 12th from 5:30-7:00 pm in Halton Arena on campus. We will have 150 of our 450+ student organizations present, and it's a great way to connect with the campus community."
