

# ON-CAMPUS HOUSING ROOM RATES

## LIVE ON CAMPUS

Take advantage of all that UNC Charlotte has to offer by choosing to live on campus! Living on campus helps you build your foundation for success at UNC Charlotte. You'll establish a support network of friends, classmates, and mentors while living in the heart of campus life. Living on campus is so much more than just a room in a building. It is a lifestyle full of exciting opportunities, amenities and services.

## SPECIAL COMMUNITIES

A few of our residence halls are home to special communities that give residents the opportunity to integrate their academic pursuits and interests with their living arrangements (Laurel, Lynch and Hawthorn Halls: freshmen learning communities; Witherspoon Hall: International House and Global Gateways; Greek Village: Sororities; Levine Hall: University Honors and Levine Scholars; Pine Hall: graduate students and post-traditional students). We have gender affirming housing options in various halls. Additionally, we designate spaces in Martin Hall and Independent Greek Village Houses for residents to live with their pet (via a lottery system).

## ALL-INCLUSIVE RATES

Our per semester rates are all-inclusive and consist of rent, laundry, all utilities, cable TV, high-speed wired and wireless internet. As an on campus resident, your per semester rate also includes membership in the Resident Student Association (RSA), a student-run organization that helps us deliver social and academic-related programs to all of our residents.

## MEAL PLANS

All first-year residents, regardless of where they live, are required to purchase a meal plan. All residents of traditional and suite housing are required to purchase a meal plan. Upper class residents living in apartments and Greek Village may choose a meal plan, but are not required to purchase one. Meal plan fees are not included in the Housing rates.
