- Clean your bedroom and common spaces
- Ensure room is “roommate ready”
- Close and lock windows and doors
- Take plants and/or pets home
- Turn off lights
- Close blinds
- Hold on to your keys. You will need them for when you return
- Initial the ½ sheet when you leave (if leaving for the break)

Additional Reminders

All rooms, including those being occupied over break, will be checked between Dec. 13-15. Residents will need to complete the winter break checklist posted on their door prior to Dec. 13 to ensure they are not charged for trash removal or needed cleaning.

Be sure to remove any items stored in your community kitchen and refrigerator. All fridges will be emptied between December 13-15. If you have a need to store food over the break, please contact your REC by Dec 11 for additional instructions.

GETTING YOUR ROOM “ROOMMATE READY”

Please be sure that your room is “roommate ready” before you leave for break (even if there are no currency vacancies in your room as that can change over the break). Staff will be coming to verify this. If the room is not “roommate ready,” you may be asked to come back, be charged, and/or face disciplinary charges. Make sure (if there already is a vacancy) there is an empty bed, desk, wardrobe and/or dresser.

Lastly, ensure the entire unit is clean. Be sure that the floors are vacuumed/swept, desks are wiped off, and bathrooms, living rooms, and/or kitchens are free of soap scum and counters are wiped-off. A vacuum is available for student use and can be checked out at the hall office.
